

## Student Fact Sheet

Production insurance is rated on the budget. The rate then depends on the type of production and the potential risks associated with it.

**Here is a list of some of the information we may require in order to obtain a quotation:**

- Type of Production
  - Budget
  - Storyline
  - Locations
  - Shoot Schedule
  - Contracts
  - Shooting Format
  - Facilities Companies
  - Financing source
  - HOD's
  - Key Cast and crew
  - Risk Assesments
- a full budget or top sheet may be required.  
a synopsis or script will be needed.

Most Insurance Companies will have a minimum premium in the region of £750 plus insurance premium tax of 5%.

The cover under each section is depends on the potential exposure as does the excess which is an amount of money the production has to pay in the event of a claim before the Insurance claim.

Here are the details of the basic 12 covers available in a standard Production Insurance package. Each section is subject to the full terms and conditions which can be found in the full policy wording.
